Joe Gardi, Hofstra coach*: "I'll tell you what, I coached in the NFL (NY Jets) for 10 years and I know what crowd noise is. I coached at Maryland, I played at Maryland, I've played at Texas, Auburn, LSU, Clemson, in some of the greatest stadiums in the country.

"In comparison, Montana is a tougher place to play."

* His team played in Missoula 3 times (and, he's proud to say, won once).
